# BE PART OF SOMETHING GREATER

We invite you to join the Power 300—an extraordinary group of partners committed to bringing our vision to life. By God's grace, we've acquired just under 4 acres of land with two existing homes. Now, we are excited to remodel, build, and expand to meet the needs of our growing community.

Our goal is to raise \$500,000 to jump-start this project, and we believe this is possible with your support. Your generosity will help us establish the Family Life Center, which will include the Circle of Life Recovery Agency and a gymnasium for after-school programs and community events. Our final goal is \$2,000,000, and there are no limits to what God will do! Join us as we declare 2024 as the year of "The Open Door!"

## BEYOND IMAGINATION, BEYOND BELIEF, BEYOND THE SURFACE, BEYOND OURSELVES

Harvest of Harmony International Church has been providing much-needed services to individuals and families in our culturally diverse community for the past 22 years. Each year, the number of people we reach and whose lives are affected by poverty, homelessness, depression, drugs, alcohol, and mental health issues increases, and our ministry is needed more and more.

Our success at helping families requires our immediate expansion and ownership of more improved facilities. It is our mission to reach our nation with the Gospel of Jesus Christ. Please consider today making a generous financial donation to the Harvest of Harmony International Church's Forward Legacy Fund. Our capital campaign down payment is \$500,000, and we are confident, with your help, we can reach our goal. All monies raised will be used to purchase new land and fund the construction of our new Church Campus. With this new space, we'll be able to minister to thousands of people each year, which will have a positive residual impact on the community as a whole.

All donations are needed and your generosity appreciated, regardless of size. Please think about how important the work of Harvest of Harmony International Church really is, and consider the positive impact a new larger facility will have on those in our community who are living with unfortunate and unbearable issues as a result of not knowing who Jesus is.
