Dear Precious Partner & Friend,

We've had quite an amazing year, we declared that this year would be the year of **“The Supernatural Turnaround!”** We have purchased 5 acres of land with 2 existing homes on our property and we have been pre-approved for our construction loan. Praise be to God!! Our vision is to build buildings in beauty and function that will give God Glory!

Our congregation is strong, and prayer and mentorship has helped grow our congregation in more ways than one. I'd like to sincerely thank you for making all the good we did these past few years possible with your prayers and generosity.

We have a lot of exciting things happening at Harvest of Harmony and as you may know, securing ownership of our new home has been a high priority on our list. The Family Life Center will house the Circle of Life Recovery Agency providing a range of family counseling services. In addition to this, the gymnasium will support our after-school program as well as host local community events for children and youth.

You have an opportunity to help us raise the funds that we need to build this facility on our newly acquired land. Please pray about becoming one of our POWER 300 Partners. We are believing for 300 partners to sow \$1000 or more. Ginger and I have sought the Lord diligently concerning who would be willing to assist us in reaching our goal to complete this project. We

are prayerfully and humbly asking you to consider a generous donation. You are our dearest friends, and we consider you, our family and we want to say thank you in advance.

There are several ways you can contribute to our Forward Legacy Building Fund:

- Donate online at <https://buildyourchurch.info/>
- Text to Give any amount to 84321
- Donate on our app and receive updates
- Send a check or money order to P.O. Box 11506 Fresno, Ca. 93773

Every gift helps and brings us closer to our goal, and we truly appreciate anything you can give. Please consider praying for us and spreading the word to your friends and family!

If you have any questions about how to help, please speak with our Resource Development Coordinator Tenishia Sharp for more information. She can be reached at tenishias@aol.com or 559-485-1446.

For your convenience, we have included a link to view a video of our master plan that will include several construction phases.
