

HARVEST OF HARMONY INT'L CHURCH
"FORWARD LEGACY FUND"

Beyond Imagination • Beyond Belief • Beyond the Surface • Beyond Ourselves

Harvest of Harmony International Church has been providing much needed Services to individuals and families in our culturally diverse community for the past 25 years.

The number of people we reach have their lives are affected by poverty, homelessness, depression, drugs, alcohol, physical and mental issues increases, and our ministry is needed more and more. During this pandemic we have witnessed these needs escalate tremendously in our city and nation

Our success at helping families requires our immediate expansion and ownership for more improved facilities. It is our mission to reach our nation with the Gospel of Jesus Christ and our community with hands on support and resources.

Please consider today making a generous financial donation to the Harvest of Harmony International Church's Forward Legacy Fund. Our capital campaign goal to buy and fund the construction for our new Church Campus and our Family Life Rehabilitation Center and Facility. With this new space, we'll be able to minister to thousands of people each year, which will have a residual positive impact in the Kingdom and the community as a whole. With each generous commitment and vow towards our Forward Legacy Fund, we are confident that our goals will be accomplished in a timely manner. All donations are needed, and your commitment and generosity are very much appreciated, regardless of size.

Please think about how important the work of Harvest of Harmony International Church really is and consider the positive impact this facility will have on the families in our congregation and community who are living substandard and defeated lives as a result of not knowing who Jesus is.
